INTRODUCING THREE NEW CONTEMPORARY PATTERNS FOR 2018

Add luxury and interest to your rooms with the stunning new 2018 range of wallcoverings from Lincrusta.

Our experts have spent hours in the archives, pored over the works of British design icons throughout the ages and taken inspiration from the natural world, to ensure each new addition to the Lincrusta family has its place.

Combining current trends with themes from our rich 140-year history, this covetable collection has been created to work in a variety of stylish settings – both commercial and residential – and features contemporary florals and timeless repeats.

A collaboration with revered wallpaper designer Karen Beauchamp has resulted in our wonderfully calming Palm pattern.

We’ve turned the popular organics trend on its head with lovely Tropical Leaf, while Fanfare takes influence from the Art Deco movement and can be adapted to sit as a subtle accompaniment to existing themes or to make a bold statement of its own.

Manufactured in Britain using the finest natural ingredients, each deeply embossed design is your blank canvas and, as with all Lincrusta wallcoverings, can be dramatically enhanced using colour and paint effects to create a truly bespoke space.

All you need to decide is how fabulous you want your walls to look.
Bold yet elegant, Tropical Leaf is inspired by the global organics trend and is a playful, deep-textured pattern that’s ideal for a feature wall.
INSPIRED SPACES FOR LIVING
A beautifully bohemian nod to the traditional organics theme, our statement-making Tropical Leaf features a deep texture that works equally well with bright, block colours or softer, more natural hues.
